

Name: _____

Can you travel the following figures without retracing or lifting your pencil off the paper?

a) Label each vertex with the degree (number of edges) that it has.

b) Complete the table.

	Travel Y/N	# even vertices	# odd vertices
1.			
2.			
3.			
4.			
5.			
6.			
7.			
8.			
9.			
10.			
11.			

Conclusion: You can travel a diagram that has
